

Refer a qualified company and collect \$25.00

Qualify

Do you know a company that is....

Relocating?

Expanding?

Has Phone Problems?

Paying too much for their Phone System?

The Program runs through July 31, 2010

Rewards will be paid via credit to your business account for future CCI services, or a personal gift card.

If we close a **GO!** Sale as a result of the your referral, you can collect an additional \$100.00

**GO!Hosted**»»  
BUSINESS PHONE SOLUTION

**GO!Hosted** delivers IP PBX features with phones as the only purchase requirement. No other equipment or software is needed. This makes it easy for companies of any size to achieve a great business phone system with a comprehensive suite of PBX features.

**GO!Xtras**»»  
SIP TRUNK OPTIONS

**GO!Xtras** are SIP Trunking options available with **GO!Anywhere**, **GO!Local** and **GO!Domestic**. Customers can expand their local calling areas, port existing numbers, order new DIDs and toll-free numbers. **GO!Xtras** has been purposefully created to allow our SIP Trunks to be customized.

**GO!Services**»»  
SECURE INTERNET PRESENCE

**GO!Services** is ideal for businesses that want to expand their Internet presence without increasing their budget for additional resources to manage and maintain it. Website creation and design tools are included, along with tools such as blogging, web traffic monitoring and podcasting
