

New Partnership....

The Winter Olympics officially kick-off today in Vancouver, Canada. Become part of the Olympic experience and join us as we link to Team USA virtually at www.teamusa.org. Cheer them on, and watch the amazing USA athletes compete for the gold!

Speaking of sports, CCI is excited to announce a new partnership with the **Dish Network**, and our new business package starting at \$39.99 per month. Whatever your sport or programming may be, you'll find it here!

Shout Out....

We want to give a big **"shout out"** to our newest team member, **Gordon Zysk**. Gordon has hit the ground running by working with the Dish Network to secure **aggressive pricing** and implementation packages to support our market. I encourage you to personally call Gordon at **586-439-2000** and together, identify an optimal plan that will support your business needs.

At CCI, we continue to explore all 'communication' avenues. My entire team is now utilizing **LinkedIn** to post events, technology breakthroughs and "stay connected" to you and our partners. **Just like a well conditioned team** - we are dedicated to "pushing the envelope", and we will continue to bring you new communication ideas that can provide you with a competitive edge. **Stay tuned, we'll be reaching out to you.**

Have a great weekend, and enjoy the Olympics~
